EXECUTIVE REPORT

Special Olympics Newfoundland and Labrador believes that people with intellectual disabilities can, and will, succeed when given the opportunity. Special Olympics is more than an event, we deliver world-class sport programs to people with intellectual disabilities daily in communities throughout our province.

**Special
Olympics**
Newfoundland
& Labrador

Special Olympics Newfoundland and Labrador has been focused on growth in last year - the growth of athletes, coaches, volunteers and staff and the funds needed to support our growth.

Special Olympics Newfoundland and Labrador's growth in athlete and coach numbers over the last number of years is significantly contributing the high quality and number of competitions SONL hosted during the year. SONL athletes competed at the Special Olympics Canada

2014 Summer Games in Vancouver, BC and all athletes had tremendous performances. Eleanor Hobbs and Jackie Barrett were selected to be members of Team Canada at this event. Eleanor's exposure at the local level with her selection to Team Canada contributed to a 20% increase of athletes in her home club. This success is a great reminder of how Special Olympics can affect changes at an individual, family, community, provincial and national level.

SONL has received additional funding from Special Olympics Canada to add an Outreach Coordinator to our staff, along with project funding to enhance our sport programs and provide additional training for our volunteer coaches.

SONL had a successful fundraising year; the Special Olympics Festival is a do not miss event which raises a significant percentage of our operating budget. North Atlantic's Golf Tournament continues to support our growth in funding. The Law Enforcement Torch Run is eagerly upping their activities adding new initiatives each year. This year saw the addition Battle of the Badges Softball Tournament.

Special Olympics Newfoundland and Labrador continues to raise funds and awareness of the positive impact of Special Olympics programs. With the upcoming Special Olympics Canada 2016 Winter Games hosted in Corner Brook, NL, SONL is striving to ensure the success of these Games leaves a legacy of support throughout the province.

SONL recognizes that team sports are an integral part of our organization—and working within a team builds communication, social, and cognitive skills. Our inaugural recipient of the Team of the Year award is Team NL’s/ Mount Pearl’s Soccer Team.

This group of players exemplifies what it means to be Special Olympics athletes; all players are driven to succeed, they all work hard, attend every practice and the chatter and encouragement during practice is non-stop. They support their teammates; but they also provide encouragement and praise to their opponents. They show up not only to have fun; but also with a “can-do” attitude.

PROGRAMS

Coach Development

Special Olympics Newfoundland and Labrador believes strongly in educating our coaches. The National Certification Program (NCCP) offers 3 different coaching courses for Special Olympics. The first stream of SO coaching is the community course; this course is required for all coaches at a local level, especially for those intending to participate in provincial competitions. The second stream of SO coaching is the competition course; this course is required for all coaches intending to participate at national competitions. The final coaching stream is the Coaching Young Athletes Course; this course is intended for coaches working

with the Active Start and FUNdamentals program.

SONL hosted a number Community Coaching courses this year. This course helps create a knowledge-base of the Special Olympics athlete for our grassroots level coaches.

SONL offered the Competition Course in May 2015; this course is for coaches who would like to take their athletes to the next level - provincial, national, or international—and focuses on training practices. This

course was well attended and we were thrilled to have Learning Facilitator James LaPierre from Quebec host our competitive course.

SONL will be hosting our second Coaching Young Athletes course in the fall of 2015 and we are excited to bring the Fundamental Movement Skills training to our Program Leaders.

Young Athletes

FUNdamentals and **Active Start** are our Young Athletes programs that introduce young athletes and their families—not only to Special Olympics—but also to the key components of living a healthy active lifestyle and all the basic motor skills needed for life. They are built on the rationale that, when children with an intellectual disability receive early instruction in basic motor skills and developmentally appropriate play, there is an excellent opportunity for improvement in their physical, social and cognitive skills.

S.O. Give it a GO are “try-it” days for potential and returning Special Olympics athletes. SONL offered

S.O. Give it a Go days to several schools on the West Coast during the 2014-2015 school year. S.O. Give it a Go provides opportunities for youth with

an intellectual disability to try different activities for children and youth with an ID and an opportunity for students, staff and parents to learn more about Special Olympics.

COMPETITIONS

Special Olympics Newfoundland & Labrador has 14 community-based clubs that offer a variety of sports programs including athletics, bocce, bowling, cross country skiing, curling, floor hockey, golf, powerlifting, rhythmic gymnastics, softball, snowshoeing, soccer and swimming; each club works diligently to ensure that athletes have an opportunity to showcase their skills in their chosen sport.

The Mount Pearl club hosted the Provincial Athletics (Track & Field) competition this year. With well over 100 athletes competing in June, it was a fantastic competition with many racers in each division.

Bocce is our fastest growing sport in our province; Gander Wings hosted 20 teams the last weekend of August for some friendly competition it was an exciting weekend on the field.

Bowling remains one of our most popular programs with over two-thirds of our athletes participating in this fun and social sport. In addition to invitational competitions between clubs; SONL held regional competitions in the spring—Western, Central, Avalon 1 and Avalon 2 all hosted excellent competitions for athletes and coaches.

Mount Pearl club hosted the Provincial Golf Tournament at Glen-denning on September 26-27, 2015. The days were cool; but the athletes had an awesome time and put in some great performances both during the best ball scramble team play competition and the individual skills competition.

Our powerlifters in the metro area got a treat this year; they were able to watch their coach lift at the National Canadian Championships held in St. John's. Our athletes then went on to compete extremely well during the Provincial Competition in June.

Rhythmic Gymnastics is a graceful individual sport with movement timed to music. With some dedicated coaches and athletes this sport is moving forward in our province.

The CBS Brightstars have started a softball program in their area and are looking to recruit new players to learn this great team sport. Their season went well this year and they look forward to returning to the field next year.

The Provincial Swim competition was hosted on the west coast by the Bay St. George Club this year. It was an amazing event with some new athletes trying their hand at swimming this year.

IN MEMORY

Special Olympics Newfoundland and Labrador would like to remember the following members (athletes, volunteers and coaches) that have passed away over the last year.

2015 PROVINCIAL WINTER GAMES

The Special Olympics NL Provincial Winter Games was a roaring success in beautiful Corner Brook during the weekend of February 27—March 1, 2015. There were over 130 athletes competing in 4 different sports: Curling, Cross-Country Skiing, Floor Hockey and Snowshoeing. This was the first year SONL had curling at our Provincial Games and what a success it was! There was a recreational division with 2 teams; Gander Wings vs Exploits Hurricanes. In the competitive division Gander Wings, Exploits

Hurricanes and St. John's all competed in a round robin with St. John's going home with the gold. Floor Hockey saw St. John's square off against Mount Pearl; with Mount Pearl taking home the gold. Cross-Country Skiing and Snowshoeing both took place at the Blow Me Down Coss Country Skill Trails. There were 9 skiers participating in the vent; with the longest distance racers ever skied by NL athletes! Snowshoeing was our biggest event at the Provincial Winter Games with over 70 athletes competing in the 5K, 1600m, 800m, 400m, 200m, and 100m! It was a fabulous weekend had by all and was our qualifying competition for the Special Olympics Canada 2016 Winter Games happening in our province from March 1—March 6, 2016: **Corner Brook will host the nation.**

2015 WORLD GAMES

The Special Olympics World Games were held in LA Games from July 25— August 2. SONL was delighted to have 5 members attend this event. Nancy Howell, a coach a member of our LETR ran during the Torch Run bringing the Flame of Hope to the Games. Both Team Canada doctors came from our province: Dr. Carmel Casey & Dr. Neil Cheeseman loaned their experience and expertise helping Team Canada athletes be at their best to compete at the World Games.

SONL is thrilled that our two athletes; Eleanor Hobbs from Tri-Con Gentle Giants and Jackie Barrett from Corner Brook Vikings represent our province and country with pride. Eleanor is always full cheer and big smiles; she was very excited to be at the World Games and came home with a three medals; a bronze, silver and bronze for her 100m freestyle, 4 x 50m relay, and 50m butterfly. We are all proud of Eleanor's success at her first World Games.

Jackie "the Newfoundland Moose" is no stranger to competing on the world stage; this was his 4th consecutive appearance at the World Summer Games for Powerlifting. Jackie out-did himself with 3 world records at the LA event. First he smashed his own squat record by 10 kg—which he set at the 2011 SO World Games in Athens, Greece. He lifted a phenomenal 277.5 kg (611 lbs); he beat Pat Griffin's 1999 SO world record by 5.5 lbs deadlifting an outstanding 297.5 kg (655 lbs); his combined total of his squat, dead lift and bench press (122.5 kg, 270 lbs) of 697.5 kg (1,537 lbs) gave him his 3rd world record.

The response from Newfoundland & Labradorians—and well beyond—was overwhelming with over 1700 scarves collected to date. Thank you to all who donated their time and talent to knitting the scarves!

LAW ENFORCEMENT TORCH RUN

The Law Enforcement Torch Run® for Special Olympics is the movement's largest grass-roots fundraiser and public awareness vehicle worldwide. At its most basic level the Torch Run is an actual running event, in which officers and athletes run the Flame of Hope™ to the Opening Ceremonies of local, regional, provincial Special Olympics competitions and National Games.

Today, the Torch Run is more than just a run and encompasses a variety of fundraising vehicles such as T-shirt sales, special events including Polar Plunges, Cop on Top, Battle of the Badges, and a host of other events that have local appeal.

All funds raised through the Law Enforcement Torch Run Newfoundland & Labrador events are directed into program support that directly affects all community Special Olympic NL programs. Funds are then put into community programs and help pay for various expenses including: games travel, accommodations, meals, grants to new community programs, volunteer and athlete training, administration and information/promotional materials.

The LETR NL has been working hard to revitalize their organization and grow their membership; at the International Physical Literacy Conference in September 2015;

Executive Director Lynette Wells accepted the award for the 4th highest growth per capita.

2014-2015 FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of Special Olympics Newfoundland & Labrador Inc.

We have audited the accompanying financial statements of Special Olympics Newfoundland & Labrador Inc., which comprise the statement of financial position as at June 30, 2015 and the statements of revenues and expenditures, changes in net assets and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, Special Olympics Newfoundland & Labrador Inc. derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of Special Olympics Newfoundland & Labrador Inc. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the year ended June 30, 2015, current assets and net assets as at June 30, 2015.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Special Olympics Newfoundland & Labrador Inc. as at June 30, 2015 and the results of its operations and its cash flow for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Special Olympics NL & Team Canada Member Eleanor Hobbs was our keynote speaker; with athlete Mark Peddle sharing hosting duties with Coast 101.1 personality Andy Newman.

The April 25th evening festivities kicked off with Satellite Pre-Parties around town before heading to a glitzy Main Event at the beautiful Clovelly Golf course. A lively After-Party Concert with music from the **Big Wigs** capped off the evening.

A big thank you to the Festival Committee and all who supported the Festival!
