

Special Olympics Saskatchewan

Board of Directors Nomination Package 2026

Dear Prospective Board Member,

Thank you for your interest in serving with Special Olympics Saskatchewan.

At Special Olympics Saskatchewan, we see every day the powerful impact that sport, inclusion, and community have on the lives of individuals with intellectual disabilities. Our volunteers often say they receive far more than they give through their involvement. The opportunity to witness athletes grow in confidence, relationships, and achievement is truly inspiring.

Today, Special Olympics Saskatchewan supports more than 1400 athletes in 15 communities across our province. Behind every opportunity is a dedicated network of volunteers, coaches, families, partners, and leaders working together to create inclusive communities where every athlete can thrive.

Our Provincial Board of Directors plays an essential governance role in ensuring the long-term strength and sustainability of the organization. The Board provides strategic leadership, oversight, and accountability while supporting the organization's mission, vision, and values. Board Members are expected to contribute at a governance level by helping guide strategic priorities, ensuring sound financial stewardship, supporting risk management, and championing awareness and fundraising efforts that strengthen opportunities for athletes across Saskatchewan. The Board's role is to govern the organization through strategic leadership, oversight, fiduciary responsibility, and policy governance rather than operational management.

As we continue to grow and evolve as an organization, we are committed to building a skilled, diverse, and forward-thinking Board that reflects the communities we serve across Saskatchewan. Special Olympics Saskatchewan is committed to building a Board that reflects diverse perspectives, experiences, regions, and backgrounds across Saskatchewan. We value collaborative leadership, strong governance, and professional expertise that will help strengthen the long-term sustainability and impact of our organization.

Thank you for considering this opportunity to help shape the future of Special Olympics Saskatchewan and support a movement that changes lives through the power of sport and inclusion.

We look forward to engaging with you throughout the nomination process.

Yours in Sport,

Rhae-Ann Holoien
