LETTER OF RECOGNITION

For 50 years, the worldwide Special Olympics movement has celebrated joy, courage and empowerment by showcasing the athletic talent of people with intellectual disabilities. Special Olympics Alberta gives its athletes and participants strength and confidence to accept challenges in sport, and in everyday life.

The City of Calgary recognizes July 21, 2018 as the *50th Anniversary of the Special Olympics*, and joins all communities in commemorating this day as *Global Day of Inclusion*, a salute to the beauty, dignity and talent in each of us.
