

SPECIAL OLYMPICS BC POLICY MANUAL

Section: **ADMINISTRATION**

Policy: **Costs to Provincial and National Games**

Effective Date: October 1987

Revised: April 2023

Page: 1 of 1

The Provincial Office will determine the final registration cost for Provincial Games on the registration deadline date for those Games. The cost will not exceed \$100.00 per person.

Locals will be responsible for the cost of travel to and from the Games. Each Region will use the “Transportation to Regional Qualifiers and Events and Provincial Games/Championships” policy to determine their transportation to Games. A portion of the registration fee may be returned to Locals in the form of travel equalization. Travel equalization will be determined by the Provincial Office.

Locals will work with their Region to determine walk-on uniform as per the “Competition and Practice Attire” policy for their team to Provincial Games. The Locals will cover this cost. The total walk-on uniform can not exceed \$75.00 per person.

NOTE: Locals are responsible for the cost of any athlete, coach, mission staff or support positions from their Local who attends Games.

Locals with athletes or coaches participating in National Games will pay a registration fee of up to \$100.00 per person. The Provincial Office will set the final registration fee on the final day of registration for those Games. The Provincial Office will cover all other National Games costs, **including travel, registration, and uniforms.**

The Local will be responsible for the ongoing training costs within the programs, including any costs to Local and Regional competitions.
