Zone Olympics set for May 24-25 at Davidson

The 1985 Zone 5 Special Olympics will be held in Davidson May 24 and 25. Centres such as Foam Lake, Humboldt, Lanigan, Outlook, Watrous, Wynyard, Wadena, Rosthern, Davidson, and many others will be bringing in athletes from all over central Saskatchewan. Last year the games were held in Foam Lake.

Many volunteers have already responded with great enthusiasm. It will take approximately one hundred volunteers to make the

games run smoothly. It is expected that approximately eighty or so athletes will be arriving on Friday to compete in the fourteen events of the games.

The event kicks off on Friday night with a social sponsored by the Royal Canadian Legion. Coaches, participants, chaperones, and volunteers will not want to miss it. It will be a great time for all to get together and socialize. On Saturday morning, the Kinsmen Club of Davidson will be hosting a pancake breakfast. Following the breakfast, there will be the parade of athletes and opening ceremonies.

After the ceremonies, athletes will begin the games. Events will include running long jump, standing long jump, shot put, high jump, 50 metres, 100, 200 and 400 metres, soccer kick, ball throw, horse shoes, five-pin bowling, shuttle relays, and other special events.

A bag lunch will be provided at noon by Interlake Human Resources and the Davidson Branch of the Saskatchewan Association of the Mentally Retarded. The games will continue for the rest of the afternoon and will finish with the closing ceremonies and a farewell supper sponsored by the Knights of Columbus.

This weekend promises to be an exciting sports weekend for Zone 5. Any athlete, coach or individual who is interested in participating or obtaining more information about this special event should contact their local Recreation Office or phone Randy Taves, Davidson's Zone 5 Special Olympics Co-ordinator at 567-2908.

Programs available soon for provincial Olympics

Programs go on sale May 20 for the 1985 Saskatchewan Special Olympics to be held in Humboldt June 14-16.

Bev Dougall, public relations chairman for the Special Olympics committee, said program sales are the major fund-raising project for the three-day event which is held each summer for mentally handicapped people.

Mrs. Dougall said support from Humboldt businesses in supporting the Special Olympics and contributing to the program has been very generous.

She especially praised the support that the Special Olympics has received from various councils of the Saskatchewan Knights of Columbus.

Organizational work for the event is progressing well. Organizers are not only planning

for the various athletic events but also social events and billeting of the athletes.

Approximately 250 persons from the age of 8 and up representing all areas of the province will be in Humboldt for the event participating in activities such as track and field, bowling, horseshoes and swimming.

All the athletes will be housed at the Uniplex which means a massive organizational effort to feed and house all participants.

Mrs. Dougall said many people have volunteered their time in helping with the Special Olympics and more are still required.

Persons who would like to volunteer helping with the committee may contact Mrs. Dougall at 682-2399.

PARTICIPACTION

Humboldt Minor League
SOCCER
 A group of interested parents are presently in the process of organizing a Humboldt Minor Soccer League. Recently a registration/questionnaire form was circulated through the schools to determine if there was sufficient interest to warrant this program. The results indicated that between Humboldt and Muenster, approximately 250 boys and girls are interested in playing the game of soccer.
 However, due to the amount of work required to organize the soccer league the actual league will not commence until early September 1985, this allows sufficient time to prepare properly for the planned league. In order for this soccer league to fly the present interested parents require further volunteer assistants from other interested parents.
 If you feel this soccer league should be organized and offered for the children to participate in and are able to assist with the organizational requirements please contact Dave Loeffers at 682-2243 or attend a parents' meeting on May 13, 1985 at 8:00 p.m. in the Uniplex Community Centre Youth Centre.
