Humboldt and District Special Olympics Society honored its volunteers, athletes and coaches at an awards banquet last Wednesday at the Legion Hall.

Society president Tony Saretsky thanked all those "who assist in our endeavors."

He said the Society is trying to promote Special Olympics across the calendar year and is branching out. "We can't do it without the work of dedicated volunteers. Tonight, we say thank you very much." He acknowledged the sponsorship of Futuristic Industries and the Knights of Columbus for the awards night, as well as the assistance of the Town of Humboldt, the Humboldt RCMP Detachment and the Special Olympics Society members.

Saretsky also thanked the athletes who compete in this region. "Without you and the volunteers, this wouldn't work.

"We need each other and together we can enrich one another's lives."

The Zone 5 floor hockey team, comprised of Humboldt and two Outlook players, was recognized for the bronze medal win at the Provincial Floor Hockey championships.

The power lifting/weight lifting team will head for its provincial championships in Weyburn in mid-June, and coach David Wassill said the team has been invited to compete in other provinces, in the United States and in Europe.

Medals were presented by coach Fred Coueslan to the winners of Special Olympics see SPECIAL O page 12

HCI players make Senior Bowl team

Todd Hartlaub and Chad Griffin, both on the Humboldt Collegiate Mohawks football team, have been chosen to play in the 1995 Football Saskatchewan Senior Bowl Game, Monday, May 22 at Taylor Field.

Hartlaub, a defensive back, and Griffin, a linebacker, will be part of the 45-man North Team.

The game features the province's most outstanding high school football players who have used their last year of high school football eligibility. The northern squad will meet their southern counterparts in the Senior Bowl Game. The South Team leads the series 6 wins to 4.
