*"Come, take a walk with me my friend
There's someone you must see
He's a young boy who lives down the street
Just a block from you and me
Today he's playing hockey and he runs and jumps and smiles
And tomorrow he'll go swimming and he'll swim for miles and miles
Just take a second look my friend
Before you pass him by
He's a boy you thought would never win
And you never let him try
C'mon now take a second look my friend
He's as happy as can be
Cause now he knows he has a chance
To play with you, to work with you, to live with you and me."*
