

Law Enforcement Torch Run

B 6317
On Sunday morning, May 30th, 1993, the Montmartre and Fillmore R.C.M. Police detachments and their families, along with the assistance of the Regina Highway Patrol, Safety Bear, 'Blinky' the robot and the School Liason groups from Montmartre, Glenavon and Vibank held their second annual Pancake Breakfast at Kemoca Park in Montmartre.

The pancake breakfast was held to raise awareness and money for Spe-

cial Olympics in Saskatchewan, and was a big success serving more than 185 breakfasts and raising more than \$1,000 in overall sales.

The members and families of the detachments would like to thank all those people and sponsors who came out and helped make this year's breakfast such a success.

Yours truly,
Cst. J.D. Martin
R.C.M. Police Montmartre
