The 1993 Zone 1 Mini Winter Games were held Feb. 19-21 in Redvers. Special Olympics sports were also included. This year, the sport of bowling was well represented by ten local bowlers in Carnduff. The participants were Wayne and Colleen Mogk, Lloyd Warner, Darcy Brickley, Brenda Galbraith, Gayla Bali and Micheal Bugera, all from Kipling Industries, Joleen Dakue, Jodi Doka and Theresa Daku, all from Kipling School.

This group was accompanied by Kipling Industries staffers, Martin Dundas, Judy Mah, Russell Daku and Sheila Olver and Kipling School tutors Marianne Lyons and Candyce MacDonald.

Fifty participants were entered in bowling from the towns of Redvers, Oxbow, Estevan and Kipling. The award ceremony was held later with Games co-ordinator Marilyn Gartner of Redvers and Mayor Morris Stevenson of Carnduff making the presentations.

Congratulations to the medal winners in the Ladies 29 and under category: Gold - Karen Keen (494 points) of Redvers and formerly of Kipling; Silver - Brenda Galbraith (397 points) of Kipling; Bronze - Michelle Crest (387 points) of Estevan.

Thanks also goes out to Martin Dundas for driving the handi-transit bus to Carnduff and to the committee for allowing us to go that Friday, Feb. 19.

Everyone enjoyed the day and this group is definitely looking forward to more events of this kind.
