

R.C.M.P. REPORT

Lumsden Detachment

B 6317
On May 15, 1993 a report was received from the Lumsden Esso concerning the theft of gas. An elderly lady driving an older Chrysler New Yorker, blue in colour left the service station without paying for her gas.

Over the course of the May long weekend a number of cars in the Lumsden District were vandalized. It would appear that a gun was used to break the windows and the culprits then stole articles from the vehicles. Stereo's, batteries, etc. were stolen from some of these damaged vehicles.

Should anyone have any information on the above mentioned matters, it is requested that they contact Lumsden Detachment at 731-3371 or Crime Stoppers at 1-800-667-8477.
