

Six local RCMP run for Special Olympics

Melfort will be well represented in the annual Law Enforcement Run for Special Olympics.

On June 10th, six members of the local RCMP Detachment including S/Sgt. Terry Chilibecki, Cpl. Brian Moat, and Constables Rene Shank, Mary Coutts, Mike Good and Gary Hoffman will take to the highway between Rosthern and Osler.

The Mounties have been canvass-

ing for pledges and have found businesses in Melfort, St. Brieux, and Kinistino very supportive of the Run as have a number of individuals.

They will be holding a fundraising barbecue on Saturday, June 5th, from 11 to 3 in the Melfort Mall parking lot. Members of the general public are invited to enjoy the barbecue and help support the Run

for Special Olympics.

Cam Lueken, Conservation Officer, will be running with his fellow officers from Prince Albert National Park to Prince Albert.

The Run gathers funds for the Special Olympics programs, which offer athletic and recreation activities for mentally and physically handicapped children and adults.

Join run for Special Olympics

Melfort RCMP officers will be running in the 1993 Law Enforcement Run for Special Olympics.

On June 10th, six of the local Mounties will be doing their share in this province-wide fundraising event by running the 36.5 kilometres

between Rosthern and Osler.

Here a number of the runners gather around Walter Heine, a Special Olympian, who enjoyed participation in the Saskatchewan Special Olympics Winter Games

held in Melfort in February.

Also on hand for the photo was Sharon Muntain, representing the Bank of Commerce (CIBC), one of the major corporate sponsors of the Run.
