## PANCAKE BREAKFAST

Constable Kelly Brown of the Moose Jaw RCMP (left) and Constable Monette Carter of Moose Jaw Police Service helped cook pancakes for the 236 people who attended the Law Enforcement Torch Run McDonald's Breakfast Saturday. The breakfast was a project that involved all of Moose Jaw's law enforcement agencies — the RCMP, the military police from 15 Wing and Moose Jaw Police Service. Law enforcement officers helped prepare and serve the pancakes, and assisted with cleanup duties. The proceeds will go to support the Saskatchewan Special Olympics Society.
