

What's up in Zone 1

B6317 By Mona Krahn

In 12 short months, Kindersley will host the province's young athletes as they stage what Games organizers hope to be one of the "Best Saskatchewan Winter Games Ever."

Each month from March to the Games, "What's Up In Zone 1" will feature Games updates and sports on the Games calendar. Sports to be included in the Games include badminton, bowling, special O bowling, curling, fig-

ure skating, artistic gymnastics, hockey, karate, ringette, alpine skiing, cross-country skiing, speed skating, special O cross-country skiing, volleyball and wrestling.

If you are interested in becoming involved in any of the sports leading to the Games, either as an athlete, coach, manager, volunteer or spectator, contact the Zone 1 Sports Council at 429-2205 and stay tuned to the column for further updates.
