**ON THE RUN** — Although Battlefords RCMP are forced to occasionally deal with terrible events like last night's tragic shooting incident in the 97 St. area, they also occasionally have an opportunity to demonstrate their generosity. Today was one of those days as Battlefords RCMP set off from City Hall this morning for a 90-kilometre run to Maidstone to help raise money for the Special Olympics. Above, warming up for the event are Cst. Earl Durant (with torch) and Cpl. Wayne Browne.
