

Service stations back run

The Saskatchewan Law Enforcement Torch Run in support of Special Olympics is set to take place the week of June 13 to 17, 1994.

The Run will carry the torch from the site of last year's event, Regina, to this year's site, Yorkton. Regionally, the Run will be held on June 14, starting at the Town Hall in Battleford and finishing at Lloydminster. The level of participation and sponsorship has increased yearly with a total provincial pledge last year of just over \$70,000 raised for Special Olympics.

This year there are various fundraising events planned, and on **Saturday, May 21, 16 service stations in the Battlefords are going to sponsor a One Cent Per Litre Day.** One cent of every litre of gas sold will be donated to the Law Enforcement Torch Run. The service stations participating display the purple coloured "Saskatchewan Law Enforcement Torch Run Poster". We encourage the support of these sponsoring service stations on May 21, 1994.

We thank you for your continued support.
