

OUTLOOK REC REPORT

B 6317
WENDY MCKELLAR 867-9555

Rec Plex - Still lots of action at the rink! Monday the Pee Wee Lightning will take on Kyle for the B side of the league playoffs. The Conquest Merchants will take on Drake in SAHA playoffs tentatively on Thursday. Other games are still pending. If nothing is happening on March 25/26 there will be lots of public skating.

Minor Ball Registration

From one season to another! Registration for minor ball will be Tuesday, March 21 upstairs at the Rec Plex (use the Mezzanine outside entry). You must register that evening so that the number of teams can be determined for league meetings and scheduling. It is very difficult to change in mid-April after these decisions have been made. Your kids have to decide by March 21 if they are playing ball or not. See the ad in this paper for details.

Tentatively there will be a Baseball Umpire Clinic and a softball basic skills clinic for players. Watch for dates.

Star Gazing (Astronomy) Class

The weather did not co-operate last week so we will try this week. The class is re-scheduled for the evening of Tuesday, March 21 with Wednesday, March 22 being the alternate if cloudy. Instructors from Saskatoon will give basic instruction on locating stars, moons and planets with the naked eye. Telescopes will also be available for more in depth viewing. Dress warmly, bring a sleeping bag and lawn chairs and show up at the Rec Plex. If it is cloudy, the class will be held on Wednesday. It is open to all ages - bring the whole family. See coming events for details.

Minor Sports

Mark your calendar for the minor sports banquet on Wednesday, April 12 at the Rec Plex. Watch for details.

Nominations are being accepted for the CHA-3M Coaching Award to be presented to a volunteer hockey coach. Team members/par-

ents can nominate their coach by submitting the coaches name and a short write up as to reason for nominating to Wendy at the Rec Office by April 4. Further information is posted on the bulletin board at the Rec. Plex. The award will be presented at the minor sports banquet on April 12.

Adult Gym Night

Adult volleyball continues every Monday evening at the high school gym. Everyone is welcome. There will be a small drop in fee.

Fitness Classes

Classes will wind-up on April 13, so there is still time to get in a four week class before spring.

Zone 5 Special Olympics Track & Field Meet

Outlook will be hosting the Zone 5 Special O Track & Field meet on Saturday, May 6, where winners will advance to Provincials. If anyone is willing to volunteer or help in any way, contact Susan Murray at 867-9719.

Blackstrap Regional Recreation

The 1995 annual meeting and awards banquet will be hosted by Langham Recreation Board on Wednesday, March 29. Invitations have been sent to all Recreation Boards.

Zone 5 Sports Council

The Zone 5 Sports Recognition Program is designed to honor those individuals who have made outstanding contributions to sport. Individuals may be nominated in one of four categories: Coach, Official, Administrator, or Athlete. Show your appreciation for the efforts of the individuals who deserve it and nominate them for an award. Deadline is April 7. Contact the Recreation Office for nomination forms.

Did You Know?

Volunteers will be needed for the Spring Rodeo on April 22 and 23. If you can offer a helping hand in the kitchen or elsewhere, contact myself or Orville Acton, volunteer co-ordinator.
