The Outlook & District Special Olympics group is always looking for volunteers.

They ask if you could donate some of your time to help them with the physical training of our people in our community that are physically and mentally challenged.

Whether you could give one hour a week or one hour a year, your offer of help would be eagerly accepted.

There are many activities that the Outlook & District Special Olympics committee have planned for their athletes. They are involved in bowling, cross-country skiing, floor hockey, track and field, and swimming. Sometimes the activities vary from year to year, but these are the basic activities.

Spending time with the people who participate in Special Olympics is a very rewarding thing. They are cheerful, honest, most have a great sense of humor - all have a unique personality.

My whole family volunteers to help with Special Olympics. We find it a very rewarding experience. My children enjoy working with the athletes, and the athletes enjoy my children.

If you have any time that you can give to help some wonderful people enjoy physical fitness, please call Joyce Jagoe at 867-9758.
