The weeks just seem to fly by in a haze. But then I'm in a haze everyday anyhow.

The Karaoke Kid's were in the Canada Hotel on the weekend. Booze makes people into very bad singers. But at least they got up and tried. I just sat and laughed.

Deb (Taylor) Clark, Brenda (Taylor) Hall were down at Debbie Trumbley's for a short visit.

Linda, Arron Siemens, Ted and Kate Kelk are off to Red Deer and then to Edmonton to see the rodeo. Hi Kurt and Lana Kelk.

Aaron Buhr is home for a while. It's good to see you again.

Lucky David Bishop won the dice pot of gold. It was up to \$1,100. Wow it must be nice.

Debbie DeCaux, Dakota and Kelly DeCaux and I headed over to Wendy and Jason Hintze's for November 11. I was really impressed - no blind or fat jokes - so much appreciation to whoever gave Wendy a hard time.

Mom and I went to have a taste test at the Birsay Kitchen. To see if Helen's hamburgers were as good as her mom's used to be. It was good but Annie's were the greatest in the hill top. But I'll try again...

The Kinettes did bingo again but I never even came close to a bingo.

Hi to "Bronze Bic", did you get home okay? Is it painful??

The Birsay bunch has gone after weird meat again leaving the women on the loose. Walter Lesyk, Ken Toben, Melbert Cunningham and Arnold Nickels are off to shoot Bambi.

A 25th anniversary party was

held in Birsay Hall on Saturday night. Sounds like it was a good time. Hope you make 50 - the gifts are better - but then they should be!

Congratulations to Helen Ferguson who was born September 19, 1903 in Brigbourne, England. Helen celebrated with a family dinner and open house at the home of her daughter, Helen Kalhler in Maidstone, Ontario. She has three children, five grandchildren and nine great grandchildren. Helen formerly resided at Tullis, Saskatchewan. Helen and her late husband, Gordon lived at Tullis and ran the Federal Elevator years ago. Helen and her son, Jerry live together in a home in Ontario.

Caroline and Amber Duhaime and Jean Evans drove to Edmonton on Thursday to visit Teresa and Jeff Morris and girls. Jeff took them to the rodeo on Saturday night. Good rodeo but kids, bucking horses and bulls did not appreciate fire works exploding inside the arena.

I attended my first meeting to plan the 75th homecoming weekend. Where was everyone? Hardly anyone showed up. I missed the first meetings because no one mentioned it and blind people can't read posters. So plan on helping out, OK. The next meeting is on December 14 in the club room. So mark it down, OK. We all need to pull together to make this a fun weekend and Lucky Lake's not known for it's support ... Seems a few people do it all and the rest of us sit home and complain. So try and come and bring lots of ideas

on December 14.

Bill and Barb Dredge are off again on a holiday. I begged to come along but the back of the truck lost its appeal.

I'm off anyway to Regina on Saturday to Don and Sheila Thompson's 25th anniversary celebration. Then I'm off to Calgary for a week. It will be great to get away from here.

Rheta and Malcolm Frazer are off to Calgary and Edmonton for a holiday. They planned on seeing Allan Coates while in Calgary. Hi Allan, it's been a long time.

Murray Cook; Mr. and Mrs. R. Sinclair; Mr. and Mrs. J. Boon; Mr. and Mrs. L. Delparte were in Regina for a convention.

The Kinettes' Santa Day is Friday, December 3. So watch for posters, OK. It was Kinettes regular meeting night and you were supposed to bring a friend. But since I don't have any it was tough, Ho, Ho. We had Joyce Jagoe from Special Olympics show a video. They are doing great things and need volunteers and cash donations to keep going. By the looks of the movie the kids love it. So thanks, Joyce.

Congratulations to Rodney and Lorinda Gustafson who had a baby boy, Matthew Aaron on November 8, weighing 6 lbs. 10 oz., 20 3/4 inches long. Matthew was born in Moose Jaw Providence Hospital.

Well that's all the news. If I can't con someone into writing next weeks news you'll hear from me when I get back from the Grey Cup.
