The fifth annual Saskatchewan Youth Relay for Saskatchewan Special Olympics is being held on Saturday, June 3.

The relay involves participation from 12 to 19 year old students in Regina and surrounding areas. Students recruit sponsorship for their participation in an eight hour relay which is being held at the RCMP Training Academy in Regina.

The purposes of the Saskatchewan Youth Relay are to raise money for Saskatchewan Special Olympics and to increase awareness of Special Olympics programs among Saskatchewan youth. The 1995 fund-raising goal is \$10,000.
