On June 11, six local athletes journeyed to Regina to participate in the 1993 Provincial Special Olympics track and field.

Our athletes have been training hard all spring and the results were very rewarding. Tom McPherson won a gold medal in the 50 metre men's; Allan Park received a bronze medal in the 100 metre men's; Gary Thom was awarded a silver medal for his showing in the 100 metre men's; Betty Zboril won bronze medals in the 50 metre women's and the women's relay, and a silver in shotput; Kari King of Birsay attended the provincial championship and did her best in all her events. Kirk Brown won a bronze medal for his showing in the 200 metre men's.

The six athletes, two mission staff, Birdie Zboril and Lynn King,

as well as driver, Roy Zboril, arrived in Regina on Friday night. They attended the opening ceremonies and then settled into their rooms at Luther College.

Saturday the athletes competed with great enthusiasm and presentations were made that evening at the awards banquet. Dancing followed the banquet.

Swimming is next for our athletes and on July 27 we will be at the Outlook Swimming Pool. We will be continuing the swimming for six weeks. As always we are in need of volunteers. Even if you can only help one night, we would love to see you. Contact Birdie Zboril if you are interested.
