

A JUMP IN HIS STEP

Gregg Brennan of Young, shown above competing in the high jump, was one of 210 athletes who participated in the Saskatchewan Special Olympics on Saturday at Douglas Park. Despite Brennan's unsuccessful high-jump attempt, his region — Zone 5, comprising Hum-

boldt and district — won the event's track and field component. Zone 7, which covers North Battleford and district, won the aggregate crown. Zone 7 will defend its title at home next year, as the 1991 Special Olympics will be held in North Battleford.
