

SOBC Local Online Pledge Page Set-Up

Special Olympics BC is now excited to offer online pledge solicitation capability for Local walkathon-type fundraising events. We will set up a personalized page for your event that your participants will be able to use to gather pledges online. Each participant will be able to create their very own pledge page through the site that will allow them to solicit pledges via e-mail and social media. All donations made through the website are secure and tax receipts will be e-mailed to donors. Funds will be deposited into the SOBC bank account and reimbursed to the Local at the conclusion of the event.

Please contact **Charlotte Taylor** with any questions at **604.737.3056**.
