E.D. FEEHAN

Marichu Lisboa

Darcie Diederichs

The second semester is full of exciting events for the Feehan family. In February, the school will host the Optimist Music Festival. In March, E.D. Feehan will be among the many venues of Hoopla — the provincial basketball championships. Before the Easter break in April, there will be a Red Cross Blood Donor clinic held at the school. May brings the annual Special Olympics hosted by the Grade 12 students for all athletes with special needs. Finally in June, the second semester ends with exams and for the Grade 12's, June also brings graduation and their farewell to high school.

The E.D. Feehan after grad committee, in celebration of Valentine's Day, is selling long-stemmed roses which can be delivered within the school, as well as outside of the school to the community. The roses will be delivered before Valentine's Day. They are available as a dozen for \$10; half a dozen for \$5; or singles

for \$1 each. Contact the E.D.F. After-Grad committee soon to pre-order the roses.

MARION GRAHAM

Pauline Hubregtse

Semester one has come to an end. Report cards will be distributed Thursday. Semester two textbooks can still be picked up today.

Marion Graham will be hosting an open house on Feb. 9. Grade 8's and their parents are encouraged to come and see what the school has to offer in the academic, sports, and arts areas and extra-curricular activities. Anyone who would like to attend Marion Graham in the near future is welcome.

SIAST Kelsey will have an open house on Thursday for Grades 11 and 12. This is an opportunity to see the campus and learn about the programs, activities and services. Also students can inform themselves as to what is available.

The romantic month of February brings valentines, chocolates and flowers. Carnations will be sold the week before Valentine's Day. A Valentine's dance will be held on Feb. 12. At the dance, results of the Matchgrams will be for sale.
