EVAN HARDY

Two plays from Hardy were entered in the Saskatoon Drama Festival on March 15-17. The Little Prince, directed by Mr. Colborne, and Mirrors, which was directed by Mr. Ramsden, did well in the festival. As well, the play You Can't Take It With You will be starting performances on April 1-3. Ticket information will be available this week.

Those students who had planned to attend the Blackstrap Ski Night which was cancelled can now get refunds in the main office.

Congratulations to the Evan Hardy wrestling team for an excellent showing in the city championships. The senior girls' basketball team had a good weekend at Hoopla and would like to thank all of the students, staff and parents for their support this season.

Application forms for any male students interested in having some fun in the upcoming Miss Evan Hardy pageant will be available in the main office this week. Fill them out and return them to the SRC room as soon as possible

so further plans for the pageant can get under way.

Everyone involved with the school charity, CHEP, would like to thank students, staff, parents and community for outstanding support in the garage sale efforts on March 13. All the money raised will go to help provide meals for inner-city school children in Saskatoon.

E.D. Feehan's theatre guild, after many long weeks of preparation, hit the stage last Friday and Saturday nights. The actors showed off their theatrical talent in fine fashion and upheld a long-standing tradition of excellent entertainment with their presentation of Ray Bradbury's "Fahrenheit 451." A great deal of work by the dedicated cast and crew made for excellent performances.

The Senior Concert, Stage and Dixieland bands had a busy week,

acting as hosts for the Archbishop O'Leary band students from Edmonton and visiting Regina as participants in a music festival. They performed well at the festival and were great ambassadors for the school. In addition to travelling to Regina, Feehan's and O'Leary's bands participated in a clinic with Marvin Eckrath, the director of the U of S Wind Ensem-

ble, attended a banquet in the cafeteria, and attended the performance of "Fahrenheit 451." The Feehan band will be travelling to Edmonton at the end of May.

Federated Co-operatives Limited, E.D. Feehan's "Partner in Education" will be hosting the students from the Accounting 30 class at the end of this month. This will give these students a "hands-on"

experience at a major business in Saskatoon.

There was a pep rally in the gym last Tuesday. The wrestling team and boys' curling teams were introduced and the drama club presented a preview of their play. As a finale, there was a "battle of the sexes" among the staff members. The amusing relay was won, hands down, by the women.
