# Independent auditors' report

To the Members of **Special Olympics Alberta Association** 

We have audited the accompanying financial statements of **Special Olympics Alberta Association**, which comprise the statement of financial position as at June 30, 2018, and the statements of changes in net assets, operations and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

#### Basis for qualified opinion

As is common with not-for-profit organizations, certain revenue is not subject to complete audit verification. Our examination of revenue was restricted to testing deposited revenue and we were not able to determine whether any adjustments might be necessary to revenue, excess of revenue over expenses, current assets and net assets.

#### Qualified opinion

In our opinion, except for the possible effects of the matter described in the basis for qualified opinion paragraph, the financial statements present fairly, in all material respects, the financial position of **Special Olympics Alberta Association** as at June 30, 2018, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### Notes to financial statements

June 30, 2018

### 1. The organization

Special Olympics Alberta Association [the "Association"] provides year-round athletic and sports training programs and competitions for persons with an intellectual disability. The Association is a registered charity, exempt from income taxes under the *Income Tax Act* (Canada), and incorporated under the *Societies Act* of the Province of Alberta.

The Association is affiliated with Special Olympics Canada Inc. as well as provincial affiliates operating as accredited chapters under the authority of the Board of Special Olympics Alberta Association. The provincial affiliates have similar objectives to the Association and operate independently under the auspices of local volunteer management committees.

#### 2. Significant accounting policies

These financial statements are prepared in accordance with Part III of the *CPA Canada Handbook – Accounting*, "Accounting Standards for Not-for-Profit Organizations", which sets out generally accepted accounting principles for not-for-profit organizations in Canada, and includes the significant accounting policies summarized below.

#### Basis of accounting

These financial statements include only those assets, liabilities, revenue and expenses of the Association and do not include the accounts or operating results of any provincial affiliates. Separate financial statements are prepared by the provincial affiliates.

#### Revenue recognition

The Association follows the deferral method of accounting for contributions, which include grants and donations. Grants are recognized in the accounts when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Other donations are recorded when received, as pledges are not legally enforceable claims. Unrestricted contributions from events and other activities are recognized as revenue when initially recorded in the accounts. Externally restricted contributions are deferred when initially recorded in the accounts and recognized as revenue in the year in which the related expenses are recognized.

Contributions specifically designated for capital purposes are deferred and recognized as revenue on the same basis as the amortization expense related to the acquired capital assets.

Contributed goods and services are reflected in the financial statements at fair value, if fair value can be reasonably determined. Volunteer hours and services are not recognized in the financial statements due to the difficulty in determining their fair value.

Investment income, which consists of interest and dividends including income distributions from pooled funds, and realized and unrealized gains and losses, is recorded in the statement of operations.

#### Allocation of expenses

The costs of each department include the costs of personnel and other expenses that are directly related to the department. The Association also incurs general support expenses that are common to the administration of the Association and are allocated to each of its departments. These allocated expenses include salaries and benefits, travel, accreditation fees, insurance and other administration costs. These expenses are allocated to departments proportionately based on the direct expenses incurred by each department.

#### Cash and cash equivalents

Cash and cash equivalents consist of cash on hand, balances with banks and short-term investments held for liquidity purposes that are immediately cashable or have initial maturity dates of less than 91 days.

#### Capital assets

Purchased tangible and intangible capital assets are recorded at acquisition cost. Contributed tangible and intangible capital assets are recorded at fair value at the date of contribution.

Amortization is determined using the following methods over the estimated useful lives of the assets as follows:

#### Tangible

Computer equipment 3 years straight-line

Office equipment 10% declining balance and 5 years straight-line

#### Intangible

Website 3 years straight-line

#### **Employee benefit plans**

The Association contributes to retirement savings plans based on the amount of employee contributions, subject to maximum limits per employee. The Association accounts for such defined contributions as an expense on an accrual basis.

#### Leases

Leases that transfer substantially all of the risks and benefits of ownership of assets to the Association are accounted for as capital leases. Assets under capital leases are recorded at inception of the lease together with the related long-term obligation to reflect the purchase and financing thereof. Rental payments under operating leases are expensed as incurred.

#### Financial instruments

Investments are recorded at fair value. Transactions are recorded on a trade date basis and transaction costs are expensed as incurred.

Other financial instruments, including accounts receivable and accounts payable and accrued liabilities, are initially recorded at fair value and subsequently measured at amortized cost.

### 6. Contingency fund

In 2008, the Association's Board of Directors internally restricted \$75,000 of net assets to be used as a contingency fund.

During the year ended June 30, 2014, the Association received an unrestricted contribution of \$600,000 from a personal estate, and during the year ended June 30, 2017, received an additional unrestricted contribution of \$347,904 from a personal estate. The Board of Directors has resolved to internally restrict these contributions, plus income earned on the investment of the funds, in the contingency fund.

### Notes to financial statements

June 30, 2018

#### 7. Contributed services

The Association's office premises are provided by an unrelated party on a rent-free basis. The Association has attributed a fair value of \$15,000 [2017 – \$15,000] to these services. The amount recorded in general revenue is offset by the cost, which is allocated to expense categories as outlined in Schedule 2.

## 8. Related party transactions

During the year, the Association normally has transactions with the following related parties:

- · Provincial affiliates
- · Special Olympics Canada Inc., the national governing body

All related party transactions have been recorded at their agreed upon exchange amounts. Grants, revenue sharing and eligible program expenses are recorded as affiliate development expenses. Accreditation fees and insurance expenses are allocated to expense categories as outlined in Schedule 2.

Transactions during the year were as follows:

#### **Provincial affiliates**

	<b>2018</b> 	<b>2017</b> \$

Telephone and technology	18,378	20,773
Accreditation fees	6,542	5,689
	237,905	232,776

### 10. Financial instruments

The Association is exposed to various financial risks through transactions in financial instruments.

#### Credit risk

The Association is exposed to credit risk in connection with its accounts receivable because of the risk that one party to the financial instrument may cause a financial loss for the other party by failing to discharge an obligation. The Association monitors outstanding balances regularly and allows for uncollectible amounts when determined.

#### Interest rate risk

The Association is subject to interest rate risk with respect to its short-term and fixed income investments because the fair value will fluctuate due to changes in market interest rates.

# **Notes to financial statements**

June 30, 2018

### Liquidity risk

The Association is exposed to the risk that it will encounter difficulty in meeting obligations associated with its financial liabilities.

### Other pricing risk

The Association is exposed to other price risk through changes in market prices [other than changes arising from interest rate or currency risks] in connection with its investments in equity securities.

# 11. Comparative figures

Certain comparative figures have been reclassified to conform to the presentation adopted for the current year.
