Unified Bocce - October

The Special Olympics athlete and the Partner athlete alternately throw 8 Bocce balls (indoor or outdoor) nearest a pallina. After all the balls are delivered, each ball within a metre of the pallina scores 3 points. Each ball outside a metre scores 1 point. Each ball touching the pallina scores 5 points.

The end must be videotaped without an edit. If Covid 19 social distancing makes it impossible to participate together, each team member may videotape their participation separately. Each participating team enters their score on the website during the month of October. If their score is one of the top three in the province, Special Olympics Saskatchewan will ask for the video verification. Participants outside Saskatchewan will be competing against others from their province, state, or country. In November, the top 3 teams in Saskatchewan within each division will receive medals and an invitation to the Special Olympics Saskatchewan Unified Sports Invitational, May 24th – 31st, 2021. The top 3 teams in other provinces, states, or countries will receive invitations to participate in May.

The divisions are:

Primary: Grades 1-5 (6 m distance)

Middle years: Grades 6-8 (8 m distance)

High School: Grades 9-12 (10 m distance)

University/Community: Adult (10 m distance)

Unified BAGGO - January

Baggo is bean bag toss or cornhole. The Special Olympics athlete and the Partner athlete alternately throw 8 bean bags at a BAGGO board. After all the bags are delivered, each bag in the hole counts 3 points and each bag on the board counts 1 point.

The end must be videotaped without an edit. If Covid 19 social distancing makes it impossible to participate together, each team member may videotape their participation separately. Each participating team enters their score on the website during the month of January. If their score is one of the top three in the province, Special Olympics Saskatchewan will ask for the video verification. Participants outside Saskatchewan will be competing against others from their province, state, or country. In February, the top 3 teams in Saskatchewan within each division will receive medals and an invitation to the Special Olympics Saskatchewan Unified Sports Invitational, May 24th – 31st, 2021. The top 3 teams in other provinces, states, or countries will receive invitations to participate in May.

The divisions are:

Primary: Grades 1-5 (3 m distance)

Middle years: Grades 6-8 (4 m distance)

High School: Grades 9-12 (5 m distance)

University/Community: Adult (5 m distance)

Unified Basketball - March

The Special Olympics athlete and the Partner athlete alternately throw 8 times at a basketball net. The location of each shot is decided by the Unified team. The point locations are:

1. Anywhere in the key (around the basket) – 1 point
2. From the free throw line (distances vary) – 2 points
3. From the 3 point line (distances vary) – 3 points

All the shots must be videotaped without an edit. If Covid 19 social distancing makes it impossible to participate together, each team member may videotape their participation separately. Each participating team enters their score on the website during the month of March. If their score is one of the top three in the province, Special Olympics Saskatchewan will ask for the video verification. Participants outside Saskatchewan will be competing against others from their province, state, or country. In April, the top 3 teams in Saskatchewan within each division will receive medals and an invitation to the Special Olympics Saskatchewan Unified Sports Invitational, May 24th – 31st, 2021. The top 3 teams in other provinces, states, or countries will receive invitations to participate in May.

The divisions are:

- Primary: Grades 1-5 (2 m & 4 m distances)
- Middle years: Grades 6-8 (3 m & 5 m distances)
- High School: Grades 9-12 (4 m & 6 m distances)
- University/Community: Adult (4 m & 6 m distances)
