**UNITY YOUNGSTER AT N.B. SPECIAL OLYMPICS** — Twelve-year old Darcy Koenig of Unity was an enthusiastic athlete who took part in the Northwest Regional Special Olympics at North Battleford on May 14th this year. Darcy was entered in a number of the events including 50m and 100m dashes, the softball throw, soccer kick, long jump, standing long jump, and high jump. He was also entered in the 400-metre walk, an event in which he finished in first-place and was awarded a red ribbon for his effort. When he was not busy competing, Darcy visited with other competitors and cheered them on in their various events. All in all, Darcy reports it was a memorable day of friendly competition and one which he thoroughly enjoyed. In the picture with Darcy are his special aid, Barb Schwab, and teacher David Weber who substituted at the regionals for his regular St. Peter's School coach Conrad Baum. Darcy is the son of Mr. and Mrs. Ron Koenig of Unity.
