

B6 317

Taking part in the Special Olympics opening ceremonies were Bill Carbno representing the Wadena Kinsmen Club, Alderman Leone Wallin representing the Town of Wadena, and Chris Rosenthal of Mallard Industries. In the background is the Canada 125 flag which had been signed one year ago by all students in the Wadena schools. After flying at the Peace Tower in Ottawa, it has been returned to the community to keep the spirit of Canada 125 alive.
