

# Beach volunteers among those honoured by Blackstrap Rec Association

Community volunteers were honoured at the Blackstrap Regional Recreation Association's Awards Banquet/Conference and annual meeting, held recently in the Brian King Centre, Warman. The Community Achievement Award, which recognizes a community for its outstanding effort in either the construction of a recreation facility or the hosting of a major event, was presented to the Outlook Labatt Tankard Committee. This group, assisted by over 300 volunteers, hosted the very successful 1992 Men's Provincial Curling Championship, an event which has never before been held in as small a community as Outlook.

The Runner-up Award was presented to the Manitou Beach Recreation Board for their efforts in the re-construction of the Ball Diamond Park area. By contrast, a very small number of volunteers work extremely hard on the many projects undertaken in their community. Congratulations to Outlook and Manitou Beach for a job well done!

Certificates of Appreciation were presented to the following communities for hosting regional events: Davidson, the Regional Pass/Punt and Kick Competition; Allan, Bladworth, Macrorie and Osler, Fall Area Meetings; Watrous Arts Council, Regional Talent Show; Watrous Recreation Board, Blackstrap Regional Winter Games; Warman, Awards Banquet/Conference/Annual Meeting.
