

# Hot dog sale starts

## 40311 Torch Run fundraisers

Weyburn law enforcement officers will raise funds for the Special Olympics Torch Run with special events over the next three weeks.

Local organizer Mike Rogal of the Weyburn Police Service said the fundraisers kick off tomorrow with a hot dog sale from 10:30 a.m. to 8 p.m. at the Co-op foods parking lot.

Sgt. Rogal said last year a similar event raised about \$300 for the cause, and they hope to meet or beat that total this year.

This year, there will be 11 Weyburn law enforcement torch runners in-

involved in the three-day run starting June 15. The route goes from Estevan to Carlyle to Whitewood to the opening of the Special Olympics Summer Games in Yorkton on June 17.

Torch runners will collect pledges from people in support of Special O.

Other fundraisers include a joint Special O/Weyburn Comprehensive SADD (Students Against Drunk Driving) car wash and a pancake breakfast. Also, a couple of local gas stations have offered to donate one cent for every litre of gas sold on certain days.
