

Games B 6317 volunteers needed

Weyburn is hosting the Special Olympics provincial summer games this year, and a few volunteers are still needed.

To help solve that problem and to give those interested some idea of what jobs are available, games organizers are holding a volunteer orientation session at the Weyburn Inn starting at 8 p.m. on Tuesday, June 6.

Help is needed for such jobs as host, announcer and server.

The games run from June 16 to 18, and volunteers are needed mostly for the first two days.
