

Competitors urged to enter early for Zone 1 Games

B.6.3.17

The Saskatchewan Zone 1 Winter Games Co-ordinator, Gerry Kot of Redvers, is busy stressing the importance of early entry to the Games being held in her community February 19-21. "With such a huge area covered by the Zone and a minimum time frame for competition, entries are limited and expected to fill quickly", says Kot. "Get your entries in now as we expect many individuals and teams to be turned away before the entry deadline of February 12".

Events for the Games are as follows: Special Olympic Bowling and Cross Country Skiing, Badminton, Bantam B Hockey, Cross Country Skiing, Curling, Girls Hockey, Karate, Speed Skating and Volleyball.

There are a number of age categories in most sports. Demonstration sports and other special events are planned for the weekend as well. For entry information or scheduling throughout the weekend, call the co-ordinator at 452-6452.
